Purpose:

Define honorarium payment amounts and distributions.

Policy Statement:

Honorarium payments are to be offered to guest speakers who present the regular WCBA monthly program meeting. Guest speakers are defined as non-WCBA members which by extension would exempt WCBA officers and directors.

Honorarium payments for a night will be \$50 unless more is required which will need to be approved by the Executive Committee in advance.

Honoraria will not be paid out to guest Bee School speakers.
